Joyce Grinnell, who works with our Integrity branch and at our Hilltop location, has been busy getting our garden back up and running. She has enlisted the help of some of the Hilltop guys to get the tomato plants in the ground, and the beans planted. They already have some sprouting!

A special thank you also needs to go out to our maintenance men, Jake Kauffman and Josh Hoffman for the time that they put into getting the garden ready for Joyce to be able to utilize!

Hilltop residents along with Springhouse, and Sunnyside got together for a cookout at Traders Camp ground in Helena, WI on July 14th. Everyone enjoyed being able to get together, eat some good food, do some fishing and even got to watch a nearby volleyball game!
